Travel Instructions:

Leeds has excellent public transport, cycling and walking facilities and the university's traffic management strategy means there is limited parking at the campuses – we highly recommend that unless you have extenuating circumstances you leave your car at home.

If you have to travel by car the person you are visiting must book you a visitor's space.

Approaches to the City Centre

Leeds is well served by motorway, with links from the M1 and M62.

From the north: A1-A58.

From the east: M62 to J29, then M621 to J3.

From the south/south-east: M1 to J43, then M621 to J3.

From the south-west: M62 to J27, then M621 to J3.

From the west: A65 via Kirkstall.

From the north-west: A660 via Headingley.

Junction 1, City Square, is the one that motorway traffic from the south will feed into.

Routes to the University

Civic Quarter

From the M621 follow Meadow Rd, Victoria Rd and Neville St to City Square. This is City Centre Loop junction 1. Continue until junction 4 (Civic Hall). Keep left and the City Campus buildings will be 400 yards along on the right (beyond the Civic Hall).

Routes Around the City

Inner Ring Road

This road is designed to route traffic away from the centre of Leeds. The main stretch runs in a semi-circle from west (A58(M)) to east (A64(M)). In the west, it connects with the M621 J2 via the Armley Gyratory and A643; in the east, it connects with M621 J4 via the A61.

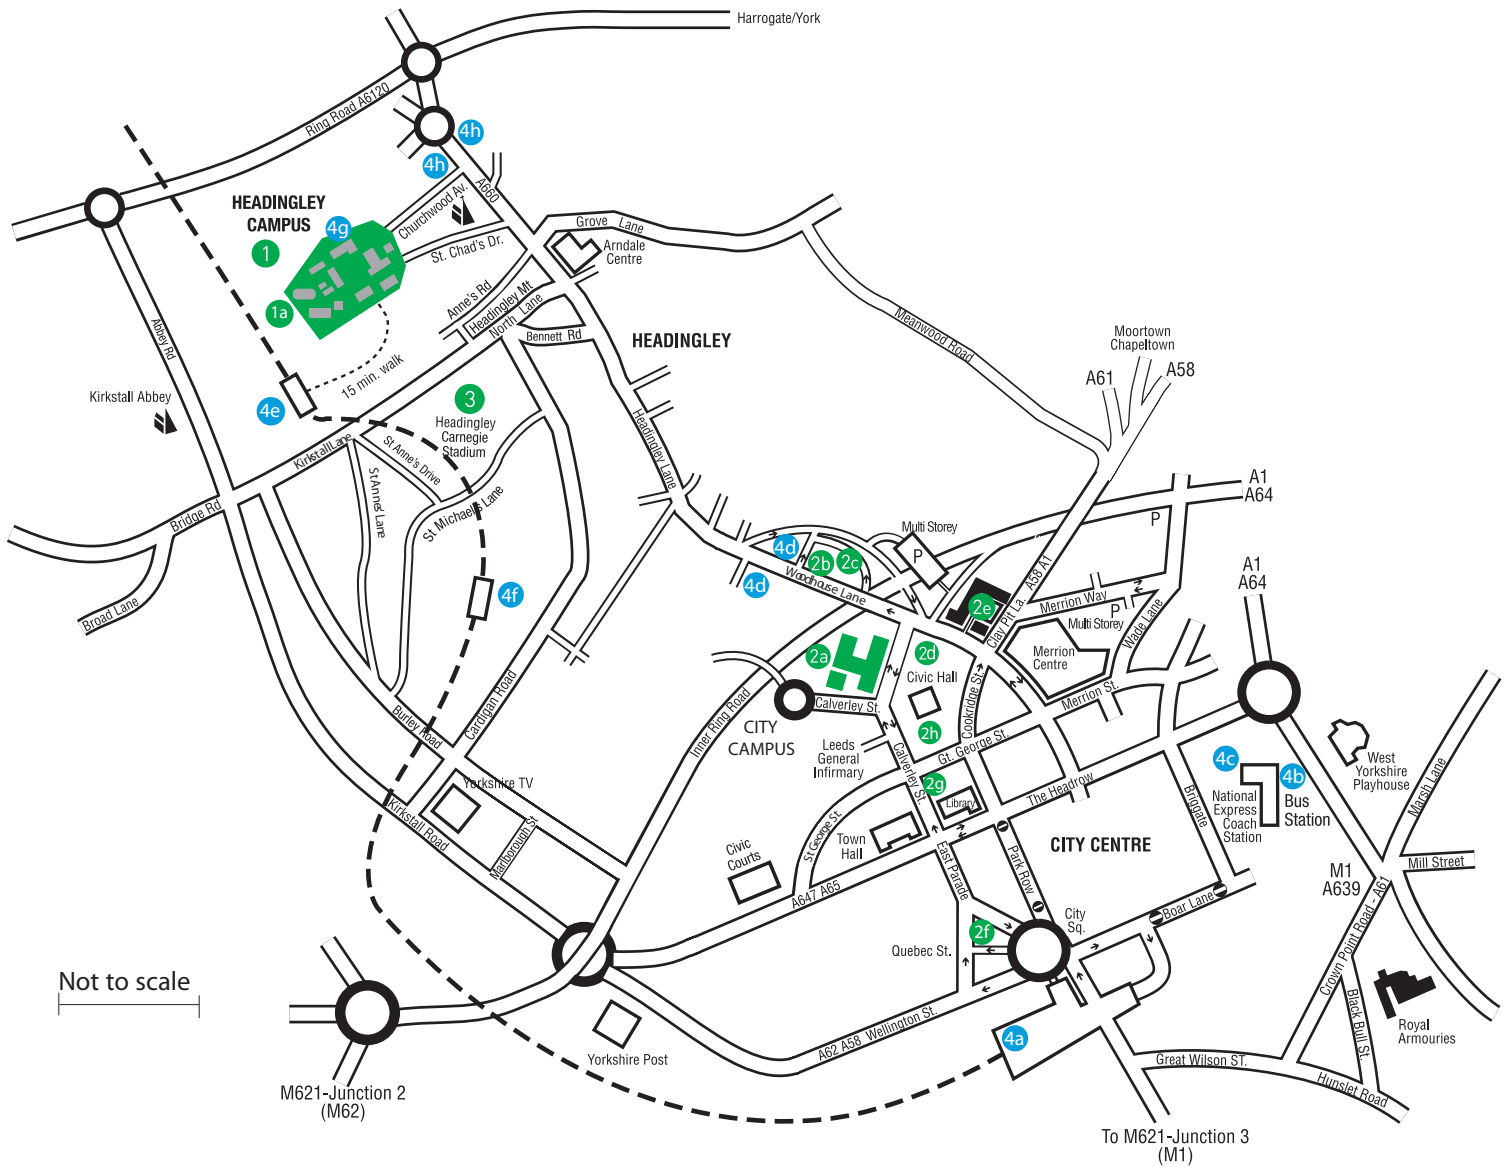

Headingley Campus,

From Motorways, start as above. As you reach the Civic Hall, and before you come to the Calverley Street buildings, turn right onto Portland Way. At the top of Portland Way, turn left onto the A660. Continue on the A660 for about 4 miles. Headingley Campus is signposted to your left (please note the sign is marked Beckett Park Campus).

City Centre Loop

The City Centre Loop allows traffic to flow clockwise around the City Centre, without having to enter it. There are 18 junctions:
